BRCM Safety Report – Version 1

For occurrences that do not involve personal injury or property damage. If there is personal property damage or injury then use the MAAC form. See link below.

Occurrence - What happened?
(Example, flying outside of field boundaries, loss of control, mechanical or electronic failure, mid-air collision, etc.)

Reason - What caused this occurrence?
(What do you think was the primary cause of this occurrence? Equipment failure, lack or maintenance, interference, new to aircraft type, lack of flying currency, etc.)

Corrective action - What actions would prevent this from happening again?
What actions could be taken to reduce the likelihood that the primary cause would occur again?

Safety Suggestion
What have you learned or observed that should be passed on to make our fields a safer place for everyone.
