

# JEFF GRAINGER

## FOR Zone E Director

I would like to take a moment to introduce myself. My name is Jeff Grainger, and I am running for the Zone E Director's position. I am currently a member of The Flying Dutchman Club. Previously, I belonged to the New Hamburg Hespeler Model Aviators and the Burlington Radio Control Modelers. I have been on the board of a couple of clubs over the past decade, and I am no stranger to the politics that find clubs. This hobby should not be about politics; it should be about people interested in model aviation and having fun. But, this is where things have gone sideways.

If elected I **pledge** to:

1. take a leadership role to settle things in a reasonable fashion. One word that I really like to use is "compromise". No problem is so large that it cannot be fixed, if we just work out a compromise.
2. work to increase membership of MAAC
3. continue the hard work of others to ensure our Transport Canada exemption remains in good standing.
4. work with members to find new and creative ways to help the hobby prosper.

So now, here I am, and I **need your help!** To win this election:

- download the **Open Proxy Vote Form** per the link below.
- fill it in.
- forward it to me at [jeffgrain@gmail.com](mailto:jeffgrain@gmail.com)

If you have any comments or questions, I can be reached at the above email.

Regards,  
Jeff Grainger
